

Important Updates Regarding LA Fashion District Businesses:

We're getting a ton of questions and want to provide the most accurate and updated information, so here it is...

In the LA Fashion District, shopping and retail businesses are open and operating as usual.

By Executive Order of the Mayor of Los Angeles, the following are closed within the City of LA:

- Entertainment venues
- Gyms and fitness studios
- Bars and nightclubs
- Dine-in restaurants

Please note that both bars and restaurants may sell food for takeout and delivery only.
